For the last 20 years, Lifeline has provided unique roadside emergency kits, first aid kits and outdoor survival kits from our headquarters near Portland, Oregon. We started as a small first aid kit manufacturer in 1996 and have expanded to sell a broad range of outdoor and safety products to some of the largest retailers in the country. We also make private labeled kits for specialty retailers and major car manufacturers worldwide. But, no matter how much we grow, our goals remain unchanged; to provide quality products, unique items and exceptional customer service at a high value price.

Also, in continued support of our commitment to quality, Lifeline is ISO 9001:2015 certified.

We offer customers:

- quality products
- reasonable prices
- superior value
- exceptional customer service

We pledge to:

- continue providing uncompromising customer service
- maintain and continuously improve our superior on-time delivery
- continue offering creative, high quality, useful products that contribute to our customers' margin growth
